Proverbs 22:6

1. **EARLY TRAINING:** One of the keys to our children's success is teaching them about God at an early age (Proverbs 22:6).
2. **DIRECTION:** Faith in God is a necessity because it provides us with access to God's guidance (Proverbs 22:6).
3. **LOVE:** Even at those times in which we are confronted with challenging behavior, love must always be the cornerstone of our parenting (1 Corinthians 13:4-8a).
4. **GRACE:** One of the greatest lessons that we learn from the parenting style of our Heavenly Father is that He constantly provides us with opportunities to be better people—that's grace (1 Corinthians 13:7-8a)!

(over, please)

- 5. **DISCIPLINE:** The purpose of discipline is not retribution, it’s loving instruction (Hebrews 12:10-11).
- 6. **PRODUCTION:** Loving discipline leads to Godly production (Hebrews 12:11).
